- 73 Starter
- 56 in Wertung angekommen
- 18 Ausfälle = 25 Prozent

**Schnellste Runde** (= 25,378 km) im Rennen: Mercedes SLS AMG GT3 in 8:27.103 min  
**Langsamste schnellste Runde** im Rennen: BMW 325, Start-Nr. 189, in 12:17.125 min

#### Zum Vergleich – 24h-Rennen 2014:

**Schnellste Runde** (= 25,378 km) im Rennen: Audi R8 LMS ultra in 8:21.045 min  
**Langsamste schnellste Runde** im Rennen: Toyota Corolla in 11:50.768 min

Durch die von „Experten“ abgenickten „**Sicherheitsmaßnahmen**“ des DMSB waren die GT3 in 2015 gegenüber 2014 beim Vergleich der schnellsten Rundenzeiten **um 1,2 Prozent langsamer**.

- Beim Vergleich der Rundenzeiten oben mit den bei den VLN erreichten Zeiten ist der Unterschied in der Rundenlänge zu berücksichtigen:

**24h-Rennen: 25,378 km**  
**VLN: 24,358 km**

Der Unterschied ist darum so gering (um 1 km), weil beim 24-Stunden-Rennen die „Mercedes-Arena“ ausgelassen, dafür die „Dunlop“-Kehre gefahren wird, während die VLN die „Mercedes“-Arena fährt, aber dann danach gleich nach rechts über eine „Stichstraße“ abkürzt.
